Nature's Classroom

Dear Friends of Nature's Classroom,

On April 28, 2018, Nature's Classroom will hold its Woods, Water and Wildlife Open House. This event welcomes the community to explore our programs with scenic guided hikes, pristine river tours, exciting shoreline explorations and intriguing animal encounters. Nature's Classroom invites you to sponsor our event and come explore 365 acres of diverse ecosystems.

Nature's Classroom currently houses and cares for nearly 80 animals, the largest of which are native to Florida. We need Sponsor dollars to feed our animals, provide veterinary care, and also to maintain and make improvements to our animal compound.

Our outdoor educational program at Nature's Classroom, offered since 1969, includes a 3-day environmental field study for sixth graders within Hillsborough County Public Schools. This program creates lasting memories for students as they build an appreciation for nature, animals and the outdoors. Our vision is to create lifelong guardians of nature. Our mission is to plant seeds of conservation through hands-on environmental education.

Sponsorship offers you an opportunity to support this vision and mission.

Our animals and our students thank you for your support.

Please Make Checks Payable to: Nature's Classroom - 13100 Verges Road - Thonotosassa, FL 33592
